

# Invacare® Top End® Pro

- Description

The Invacare® Top End® Pro™ Basketball Wheelchair is designed for aspiring athletes who want durability and quick, easy adjustments, all at a great price. Adjustments that can take up to four hours in other chairs, take only 15 minutes in the Pro Basketball Wheelchair. Plus, it is so easy to order that you only need to measure seat width and depth, select a wheelbase and wheel size using our handy guides plus pick a color. Now that is easy. The Pro Basketball Wheelchair is available in both a tall and short frame to accommodate any aspiring athlete. This chair also features a fully welded aluminum base frame with fixed camber, which gives it the same stiffness and

durability as our elite Invacare® Top End® Schulte 7000 Series Basketball Wheelchair. You'll also get high performance sports wheels, high pressure clincher tires, quick release axles, adjustable height fixed swivel anti-tip with a 59mm fifth wheel and our smart fork caster system equipped with super hard 72mm front casters. But what sets this chair apart from every basketball chair out there is the super quick adjustability. You can adjust it between games or at half time with our exclusive quick release rear seat height adjustment system. This chair also has adjustable front seat height, center of gravity, back height/angle, back upholstery and footrest positioning: forwards/backwards and up/down. Everyone is buzzing about the adjustable platform footrest that delivers the perfect foot position, whether you like to tuck them way back or not, plus it has a toe stop and strap to secure your feet. Need one more advantage: our welded 4-bend wing will help you get that fast break and UP YOUR GAME. For ordering help, please refer to the FAQs which will lead you to our great help desk. The Help Desk has answers to most questions in one handy location and can guide you through the measurement process plus help you figure out the best options. If you have questions, please don't hesitate to click the "How to Buy" tab. We would love to help you.
